Dear Parents

ROBOTICS CLUB

From the STEM HQ

Congratulations to the RoboCup Team who held their own against some of Queensland’s Best in the State Finals of the RoboCup over the weekend.

In Robot Rescue Liam N, Henry W, Ruben K saved the victims from the chemical spill zone. In the Dance Keeley B, Clarinda K, Kara B and Alex V shared the stage with Katy Perry and Taylor Swift, in a very intricate stage show. In Soccer Robot Striking Bruzer Liam N and Little Goalie Robot Leo C forced an often inferior opposition to score against their own goal on numerous occasions.

Who are we?

We are a group of Wilston students and parents supported by the P&C and the school to empower the students at Wilston with skills not just in technology, but in problem solving and team work. We believe the technology is fundamentally going to change the economic and social fabric of the world they will inherit, and it is important to prepare our kids for that future. Lego Robotics, is a great way to contextualize STEM and make it real for kids.

We currently meet on Monday nights from 6.00pm – 8.00pm and we are keen to widen our group.

Interested? Email bouchersr@icloud.com or chris@noonanfamily.org for more information.

The next Robotics Night will be held on Monday 31 August from 6.00 to 8.00pm in B Block. If you are interested please bring alone a laptop and a parent.

Just a reminder when using BPoint to please use the invoice number where it is stated. You will find this number on your statement.

SCHOOL PHOTOS

This year our school photo days are Monday 7 September, Tuesday 8 September and Thursday 10 September. A timetable will be attached to next week’s newsletter email. Please ensure that your child is in the appropriate school uniform on their relevant photo day/s. If an alternate uniform is required for the photo e.g. Wildcatz, students must wear their ordinary school uniform and change just prior to the photo.

The MSP Photography payment envelopes were distributed to students earlier this week. Please take the time to read the information on the envelopes and remember these helpful points:

- Don’t seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope on photo day.
- Envelopes for family photos are available from the school office on request.
- Please enclose the correct money as no change is given. Cash and Cheques only. Credit card payments can be made prior to photo day via the online ordering system at www.msp.com.au
- Return the envelopes on photo day.

Queensland Urban Utilities challenges EcoMarines to ‘Turn to Tap’

Congratulations to Atticus Moore

Queensland Urban Utilities joined forces with Tangalooma EcoMarines to challenge us to Turn to Tap for the health of Moreton Bay. Our students have pledged to carry a reusable water bottle every day and fill up on tap water. Queensland Urban Utilities spokesperson, Michelle Cull, said it was a simple way for students to help the environment and stay hydrated.

“Reusable water bottles are a better choice because they don’t end up in waterways where they can harm animals like turtles and birds,” she said. “Another benefit of carrying a reusable water bottle is it saves you money. Tap water costs less than one cent per litre compared to up to $3 per litre for bottled varieties.”

To help the EcoMarines achieve their goal, students were asked to design a bag tag to remind them to pack a reusable water bottle for school each day. Queensland Urban Utilities received 225 entries from prep right through to year six. “The designs were very impressive but we had to choose a winner and that was Year 3 student, Atticus M,” Ms Cull said. “Atticus’ bold design featured a cartoon crab urging kids to ‘choose to reuse’ their water bottle.”

CONGRATULATIONS TO ATTICUS and thank you to all those students who entered. Wilston State School is the third school to take up the Turn to Tap challenge after a successful pilot at Bulimba State School last year.

**PRIMARY RESEARCH PROJECT TERM 4**

All interested Year 4, 5 and 6 students are invited to participate in the 2015 Primary Research Project.

The Primary Research Project is an online, multiple-choice competition (40 questions on 8 different topics: Inventors and Explorers, Environmental Matters, Sport, Entertainment & Festivals, etc.) which requires a maximum of 4 hours over a 10 day period (12-23 October 2015; Term 4, Week 2-3). Arrangements will be made for participating students to access the school computer labs for a 45-minute block during the competition period. Students are encouraged to use dictionaries, computers, the internet and any other library resources at their disposal to answer the questions. The majority of students who have competed in previous years report that it is most convenient to research the answers at home.

**Honours Music Camp**

This year, we had 11 students successfully audition for Honours Music Camp. Well done to Evangeline M, Julian B, Keeley B, Ruby C, Anna D, Claire G, Jake H, Oliver H, Lauren S, Jade T and Polly L. They will attend the camp from the 8-11 September at Craigslea SHS.

Congratulations to Evangeline M who auditioned for Brisbane State High School on violin and was successful in gaining entry.

**BRASS WOODWIND & PERCUSSION**

The Catz are scheduled to open the Wilston Fete on Saturday 12 September at 11.00am (arrive 10.30am for set-up). The Catz should bring their own music stands if they have one.

At this time of the year we begin integrating talented beginners into the band. This concert will serve as a good preparation performance prior to our annual showpiece at the Brisbane Customs House in October. They should wear black or dark tops and jeans for this performance.

We are also preparing to put our fourth CD together in September. Rather than a studio CD this year we will be assembling a DVD at each of the Catz schools and coming into one DVD. I am currently looking at options to produce the highest fidelity possible during the process—possibly renting digital microphones.

I am very proud of our Wildcatz this year. Despite the loss of our experienced Year 7's they have produced some memorable performances in different venues. This was achieved due to their commitment and hard work.
