FROM THE PRINCIPAL

Dear Parents

The Cross Country and Easter Hat Parade are certainly two lovely events to conclude a very full term. It is always nice to see so many parents in attendance and I am sure your child appreciated your support as they ran.

I congratulate all students who participated in this year's cross country event. Mr Bell emphasised the closeness of the final house points and mentioned that all houses had at least one Age Champion.

As well as being an exceptional teacher Mr Bell, continues to demonstrate his very good organisational skills by running a very good cross country event. I have never seen the oval in better condition and I would like to acknowledge the great work of our School Officer, Andrew Carrick in ensuring this is so. I have included a message from Mr Bell below and though I will not be here next term to watch the Wilston Cross Country team compete at the District Trials, I wish each and every competitor well.

Cross Country

Congratulations to all students who competed in Tuesday's Cross Country. On a warm day the students performed admirably despite the conditions. There were some great performances throughout the age groups from Prep through to Year 6. Congratulations to Paterson who were the successful house for 2017.

Overall Results:

Paterson	403
Lawson	370
Gordon	366.
