Under the agreement for 2015
Wilton State School will receive

$247,600*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of students, from 2014 to 2015, at or above NAPLAN Band 4 in Year 3 writing.
- Increase the percentage of students, from 2014 to 2015, achieving a “C” standard or above in mathematics in Years 1 – 3.
- Increase the percentage of students, from 2014 to 2015, at or above the minimum target reading level in Prep.
- Increase the percentage of students, from 2014 to 2015, in NAPLAN Year 3 reading upper two bands.

Our strategy will be to

- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.
- Enhance teacher knowledge and pedagogy to improve reading outcomes across the school.
- Develop teacher capacity to design curriculum-aligned formative assessment tasks for timely differentiated instruction.
- Develop collaborative data inquiry processes to build teachers’ ability to interpret data to inform practice.
- Establish professional learning communities of teachers to share and evaluate practice.

Our school will improve student outcomes by

- Providing intervention programs around literacy and numeracy for students in Prep – Year 3. ($50 000)
- Providing professional development for teachers about reading and improving curriculum alignment and differentiation. ($36 600)
- Purchasing resources to support effective teaching and learning including the purchase of reading materials and iPads. ($45 000)
- Providing staff release to engage in collegial discussions around data and to participate in triads to identify and provide feedback around reading practice. ($26 000)
- Providing teacher aide support to classes in Years 1 – 3 to enhance differentiated teaching and improve students’ learning. ($90 000)
