Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- The regular review of data to inform teaching and ensure improved outcomes for all students.
- The alignment of pedagogy through peer coaching, watching others work and collegial discussions to improve outcomes for all students. (In accordance with the Wilston State School Pedagogical Framework informed by *Dean, Hubbell, Pitier & Stone 2011, Marzano 1998, Archer & Hughes 2011*).
- The provision of targeted interventions in response to evidence gathered.
